

**REMARKS**

Claims 1, 4-7, 14-16, and 18-22 are in the application for further consideration. Applicant appreciates the indication of allowability of claim 1 if re-written in either the process form or the amended product form suggested by the Examiner. Applicant, by this Amendment adopts the product form. Claim 20 has been amended to depend on claim 19 as suggested by the Examiner. With respect to claim 22, the Office Action notes that this claim is redundant, but nevertheless considers it to be allowable. Claim 22 is rewritten to avoid redundancy while not changing scope.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,

/Edwin Tocker/
